

*"As we left, Anna asked if we could come again soon, because it was so fun."*

*– Annette C.*

# A Million Reasons to Smile.

Anna's family chose Children's Mercy Hospitals and Clinics because we have the only medical facilities in the area that are designed, staffed and equipped just for kids. For Anna's CT scan at Children's Mercy South, we used toys, lights and a lot of understanding to make it a surprisingly fun experience.

There are a million reasons to choose Children's Mercy.
