

## LIVE PRINT MOSAICS<sup>®</sup>

### Guest-built mosaics using hashtag and onsite photos

Fans, employees, customers, and guests come together to create a truly stunning work of art. A unique and exciting teambuilding experience they won't forget.

- Real-time photo analysis for colors and shapes
- Onsite photo capture, Facebook/Twitter/Instagram hashtags, Facebook posts, Snapchat, and online and social network submission options
- The real-time mosaic reveal creates anticipation among guests, encouraging them to take part in the creation process
- Each guest is given the opportunity to take part in the mosaic build by hand-placing their photo in the mural
- Submitted photos are analyzed and printed in less than 10 seconds
- Adhesive photo tile options: 1", 1.25", 1.5", 1.75", and 2"
- Onsite mural can also live online as an interactive streaming mosaic
- Custom mural sizes and backgrounds available
- Base: \$3,800 (pre-printed, unstaffed) or \$14,000 (live-printing, staffed)
- See a timelapse build here: [www.picturemosaics.com/event/liveprint](http://www.picturemosaics.com/event/liveprint)
- See examples at: [www.picturemosaics.com/event](http://www.picturemosaics.com/event)
